[Verse]

G **Am**
Some just see someone down on their knees

Talking to the air words lost on a breeze

C **G**
Just a waste of time not anything more

[Chorus]

G **Am**
But it s a direct line to the throne room
C **G**
Where you can find someone who cares
G **Am**
And if you need some proof I can tell you
Am **C** **G** **Am7** **Am** **D**
There is power, power in prayer

I can tell you about the time

Some have doubts but I know that I know that I know
