All My Friends
Counting Crows

```
Cm                        G#
    Thought I might get a rocket ride
       Eb
When I was a child,
       Bb
But it was a lie.
      Cm                  G#               Eb     G
That I told myself when I needed something good.
Cm             G#
   At 17 had a better dream
        Eb          Bb
Now I m 33, and it isn t me.
       Cm                  G#          G
But I d think of something better if I could.

Fm                 G
All my friends and lovers
     Cm         F
Will leave me behind,
G#               Eb             G
   And I m still looking for a girl.
Fm     G
One way  or another
         Cm        F      G#
I m just hoping to find a way
          Eb               G#
To put my feet out in the world.

Cm                           G#
   Caught some grief from a falling leaf
       Eb                Bb
As she tumbled into the dirty ground,
          Cm                    G#               Eb     G
And said I  should have put her back there if I could.
Cm                       G#
   Well everyone needs a better day,
        Eb                   Bb
And I m tryin  to find me a better way.
      Cm                      G#                  G
To get   through the things I do and the things I should.

Fm                 G
All my friends and lovers
     Cm        F
Will leave me alone.

Can you see her waiting there?
        Gm            G#
Can you see her she s almost there?
        Gm      G#
can you see her waiting there for someone like me?
Eb  G#
Eb  G#

Cm                        G#
   Well all you want is a beauty queen,
          Eb
But not a superstar,
         Bb              Cm
But everybody s dream machine.
                  G#                Eb     G
All you want is a place to lay your head.
Cm                          G#
   You go to sleep dreamin  how you would
     Eb                     Bb
Be a different kind if you thought you could,
       Cm                G#             G
But you   come awake the way you are instead.

Fm                 G
All my friends and lovers,
