12 Stones - Arms of a stranger

---

Tabbed by: Jerem as Menichelli (Jere-Menichelli)  
E-mail: jmenichelli@hotmail.com

Tuning: **E, B, G, D, A, E**

**F**                    **G**                    **Am**  
I came home early to see you

**G**  
Couldn t wait to hold you

**F**                    **G**                    **Am**  
I ve been away for so long

**F**                    **G**                                    **Am**  
But as I walked through the doorway

**G**  
My heart was shattered

**F**                                    **G**                    **D5**  
To find that your not alone

**F5**            **G5**            **A5**  
When will I break

**G5**  
Into piece

**F5**            **G5**            **A5**  
It s your mistake

**G5**  
I finally see that

**F5**                                    **D5**            **A5**  
Everything I thought was you was a lie

**G5**  
Now you left love dying

**F5**                    **G5**                    **A5**  
It s in the arms of a stranger

**F**                                    **G**                    **Am**  
The days just seem so much longer

**G**  
Now that I m without you

**F**                    **G**                    **Am**  
It never seems to get better

**F**                    **G**                    **Am**  
I ll try to hold it together

**G**  
And I can t wait for

**F**                                    **G**                                    **D5**  
The day that you fade from my memory

**F5**            **G5**            **A5**  
When will I break

**G5**  
Into piece

**F5**            **G5**            **A5**  
It s your mistake

**G5**  
I finally see that

**F5**                                    **D5**                    **A5**  
Everything I thought was you was a lie

**G5**  
Now you left love dying

**F5**                    **G5**                    **A5**  
It s in the arms of a stranger

**F**            **G**            **Am**  
When will I break

**G**  
Into piece

**F**            **G**            **Am**  
It s your mistake

**G5**  
I finally see that

**F5**            **G5**            **A5**  
When will I break

**G5**  
Into piece

**F5**            **G5**            **A5**  
It s your mistake

**G5**  
I finally see that

**F5**                                    **D5**                    **A5**  
Everything I thought was you was a lie

**G5**  
Now you left love dying

**F5**                    **G5**                    **A5**  
It s in the arms of a stranger

**F**                    **G**                    **Am**

I came home early to see you

**G**

Couldn't wait to hold you

**F**                    **G**                    **Asus2 Am**

It's in the arms of a stranger
