I will stay with you if you  stay with me
        F#m        A          D         E
Just one  single tear in each passing year

 With the dark, oh I see so very clearly now
E                 A                 D       Bm         E
All my fears are drifting by me so slowly now,  fading away
A  Amaj7 Bm        A           Amaj7       Bm
 I can  say, the night is long but you are here

 Close at hand though I m better for the smile you give,  and while I live
      A      Amaj7      D        E
 I will follow you if you follow me
       A         Amaj7         D           E
 All the days and nights that we know will be
      A          Bm        E7          C#7
 I will stay with you if you  stay with me

F#m        A          D         E
Just one  single tear in each passing year
