Easy
Cowboy Mouth

fun song to play

verse: play chords, then mute the strings.

```
Bb5 Bb5                          G#5 G#5
      I once had a friend who       met an early end to
Eb5 Eb5                          Bb5 Bb5
     a kind of modern way of thinking
Bb5 Bb5                          G#5 G#5
     He wasn t taken from us        yeah he s still among us
Eb5 Eb5                              Bb5 Bb5
     but he lived for drugs and drinking
Bb5 Bb5                              G#5 G#5
     He liked to point the finger      his accusations linger
Eb5 Eb5                        Bb5 Bb5
     a deeper part of every action
Bb5 Bb5                                G#5 G#5
     He loved to play the game where     he s disperse the blame for
Eb5 Eb5                           Bb5 Bb5
     every deep dissatisfaction
```

chorus (full chords - i play em as barres):

```
      Bb
easy to bitch, easy to whine
      G#
Easy to moan, easy to cry
       Eb                                        Bb
easy to feel like there ain t nothing in your life
        Bb
it s harder to work, harder to strive
        G#
Hard to be glad to be alive
                Eb                           Bb
But it s really worth it if you give it a try
```

have fun. remember to rate.   -drew
