My Love
Crash Kings

```
G         Em         D  D
G       Em           D  D

G       Em             D
You caught me on another one
F    C      Eb        G
Just to say you ve won, my love
G       Em             D
You ve broke me off another piece
F      C      Eb      G       G7
It s just a quick release, my love

C      Am
I just wanna be the one
D
Who finds another way
C      Am
To keep me on the top of your mind
D
So you would always say
C      Am
Everything is more than fine
D       C                     Eb
I wouldn t change a thing

G       G       G7      G7      C
All the little pieces of the world come together so well
Em      Am      C
You re taking me home, you re showing me
G       G       G7      G7      C
That all the broken pieces of the world fit together again
Em      Am              Eb
When you re taking me home, you re taking me home
G         Em         D  D
G       Em           D  D

G       Em           D  D
You say some day you ll settle down
F    C      Eb        G
In a smaller town, my love
G       Em             D
Leave all the hustlin  behind
F      C      Eb      G       G7
For some peace of mind, my love

C      Am
So why can t we be happy now
```

D
And lay this all to rest?
C Am
I know we re sick of all the games
D
And all the stupid tests
C
And if this just keeps going on
D C Eb
I ll wish you all the best, once again

G G G7 G7 C
All the little pieces of the world come together so well
Em Am C
You re taking me home, you re showing me
G G G7 G7 C
That all the broken pieces of the world fit together again
Em Am C
When you re taking me home, you re taking me home

G G G7 C
To the places where my love is I take it all back
Em Am Bb
This time it s for sure I take it all back
G G G7 C
To the places where my love is I take it all back
Em Am Bb
This time it s for sure
G G G7 C
Em Am Bb
G Em D
G Em D
G
Yeah
