She says: forget this terrible, terrible world around you, it takes you
Eb                 Gm                              G#
So far away from me and it s terribly, terribly wrong.
          Bb             Eb
I need more to stay calm

chorus:
    Eb         Bb   Gm            G#    Bb        Eb
And there she is; sleeping, her arms around my shirt
   Bb        Gm          G#   Bb
No way, no, nothing can beat this
    Eb      Bb       Gm             G#             Eb
And so be it, may all the world envy, I m coming home

Eb                     Gm               G#            Bb        Eb
Oh, yeah, she ll get me over and over again, forever and ever
                      Gm                                   G#
She knows and I know this; we know we are should never apart

We need more, we need this

chorus

Eb Gm G# Bb Eb

Eb                 Gm
