Love LaLaLaLa Love

Am G Em F
When we re together why does something always start
Are we both better off when we are apart
Someday s you hate me I can see it in your eyes
It seems like lately you can t wait to criticize me

Chorus
Am G Em F
It s alright, we don t have to fight tonight
No, it s alright (repeat)

Everyday I can hear the rockets fly
Over the graves of too many who have died
Fighting for land, or some ancient holy shrine
I bet your blood runs red, just the same as mine, yeah

Chorus

Bridge
C F Am G
Love LaLaLaLa Love LaLaLaLaLa

How many more of our children have to fall
Just how high do we have to build these walls
In fighting there s no dignity
It s such a waste of time
Take my hand,
I don t think God will mind.

Chorus
