Carpe Diem
Green Day

Intro:
C# F# G# C# C# G# F# C#

G# C# G# C#
Breaking in a sweat, like a bomb threat

C# G#
Here s your silhouette fading out

G# C# G# C#
Nothing left to lose, detonate the fuse

C# G#
Another break in this blow out

G# C# G# C#
Ain t it beautiful? So unusual?

C# G#
Life s a guess and it s running out

G# C# G# C#
Living a cliche, gonna seize the day

C# G#
Bottle rockets to celebrate

C# G# C# G#

C# F# G# C#
Carpe diem, a battle cry

C# G# F# C#
Are we all too young to die?

C# F# G# C#
Ask for reason and no reply

C# G# F# C#
Are we all too young to die?

F# C# F# C#
Making a living, making a killing

F# C# G#
What s worth forgiving? A lie?

G# C# G# C#
A blink of an eye, barely scraping by

C# G#
Dominated by passer-bys

G# C# G# C#
Feeling out of luck, when the traffic s stuck

C# G#
And you re feeling so left behind

G# C# G# C#
Getting off a binge, get a second wind

C# G#
Another promise to make a change

G# C# G# C#
Got a broken wing, hear the angel sing

C# G#
When the single is out of range

C# G#
Ain t it strange?

C# F# G# C#
Carpe diem, a battle cry

C# G# F# C#
Are we all too young to die?

C# F# G# C#
Ask for reason and no reply
