Another Day
Crimpshrine

```
   Bb          F                C             D
Another day, another goal. Your life is out of your control.
   Bb          F                C             D
Tomorrow s just another day. Another chance to throw away.

   Bb          F                C             D
Used emotions, failed solutions, get the daily thought pollutions.
   Bb          F                C             D
Tomorrow s just another day to watch your life go astray.

   Bb          C           F             D
I m amused and I m confused. life s out of my control.
   Bb          C           F             D
I just try to stand aside. and let things take their toll.

   Bb                    C              F               D
And just when things are getting better, everything just falls apart.
Bb                   C           F                   D
Every situation is temporary, but I get caught up in playing my part.

F                 C                  Bb
You learned a lesson-Not to rely on anyone
                                C
Now you don t even rely on yourself
F             C                 Bb
Learned a lesson-Not to trust anyone
                                C
Now you don t even trust yourself
F             C               Bb
Learned a lesson-Not to love anyone
                            C
Now you don t even love yourself

   Bb                   C              Bb                      C
In all the experiences you ve had, you think that all you ve learned is bad.
               Bb                          C
You ve got to learn to learn good from the bad
Bb                           C
Learn to learn good from the bad
               Bb                          C
You ve got to learn to learn good from the bad

Good from the bad

            Bb                     F           C           D
And you re tired of being fucked over, so you pass off any love as lust.
    Bb               F           C                  D
And you want to be hopeless, and think there s no one you can trust.

Bb              F                     C                            D
You think that you re so different but you ain t so different from anyone else.
Bb              F                  C             D
Sick of every goal failing so you live your life without a purpose

    Bb          C           F              D
I m amused and I m confused, life s out of my control.
    Bb          C           F              D
I just try to stand aside, and let things take their toll.
