That Changes Everything
12 Stones

```
C
Wish that we could start over
Change everything that went wrong
F
It s hard to stay sober
When you feel like love is gone
C
we both need forgiveness
And we both need to forgive
F
The past that hangs above our heads
Will drive us to the end
```

(Pré-Refrão)
```
G                              Am
All the things we should have done
G                              Am        F
All the times i tried to run from you
```

(Refrão)
```
        C                 G
If i fall from the ledge
 Am                        F
  don t Wanna die with regrets
 C
  see the ground comin
         G                 F
I m not gonna run anymore
      C                 G
  can make my amends
  F
I swear i wont fail you again
    C
  was ready to die
G                            F
Till i saw you suffering
     F                      C
And that changes everything
C
The pieces come together
C
The images burned in my mind
F
Everything seems much clearer
F
But this place i cant recognize
C
```

Oblivious to the ending
C
The shame has covered my eyes
F
Haunted by my feelings
F
Imprisoned by my denial
