Never Coming Home
Crossfade

```
                   Badd9                          D#m7
I m planning my release, tonight I ll speak the words
        Badd9                           D#m7
I never thought I d ever have to say to you
        F#      C#add4  Badd9                          D#m7
Hope it stings you so deeply for a moment you might see me
                                Badd9
And I ll leave you there all alone
                                  D#m7
One more thing that you should know
        F#    C#add4  Badd9
I m not ever coming home
Badd9
Think we should finally let this go
F# C#add4 Badd9                  D#m7
We both know it s the end of the road
F#    C#add4 Badd9               D#m7
All I ever needed, someone to believe in
             Badd9
Anything that I could give
                        D#m7
Maybe there s something beautiful
       F#    C#add4 Badd9
Hidden deep in my bones
                           D#m7
I ll give as far as I can go
                            Badd9
Where I run you never will know
                           D#m7
When you left there lying alone
        F#     C#add4  Badd9
No, I m never coming home
                                Badd9
I think we had enough time to know
                     D#m7                    Badd9   F#   C#add4   Badd9
So know that when I go it s the end of the road, oooh
                 Badd9                   D#m7   F#   C#add4   Badd9
Know that when I go it s the end of the road
         Badd9      D#m7   F#   C#add4   Badd9
It s the end of the road
                      Badd9   D#m7
And I m never coming home
         F#     C#add4     Badd9
See, I m never coming home
```
