Curtis Mayfield
Blue Monday People

(i m pretty sure this is in the right key but the chords and variations he plays are
probably a bit more complex than this)

Intro - (on strings) F#

guitar - Ebm7, F# x 2

```
Dm7, F
                                        Dm7, F
         ...some people feel so empty
                                         Dm7, F
all their problems and hurt of pride
                                         Dm7, F
you make me so happy sweet baby

love is by my side
Gm7                      Bb, F
wakin up now in the mornin
Gm7                      Bb, F
a little mornin sigh ...
Gm7                      Dm7, F
ready not to get it together
   Gm7                 F
we know temptation dont tell whole story
     A                                     Dm F
but you and me baby we have taken inventory
   Bb
we blue monday people
 Bbm    Gm
and i know theres a few
  Bb
i dont know your problems

only you know how to solve
      Bb                            Gm
when seasons are strong sometimes ya life dont get along
         Bb                      F
but when cupboards are bare our love we will share

break -
            Dm F
```

ono soul now
ono soul now

.....

Gm7, Dm7, F
