Definite Darkness
Cymbals Eat Guitars

Intro: **Eb Bb C** x3

Eb Bb - C Eb
Bring me to the world of guilt and sorrow for the races tonight
Eb Bb - C Eb
Where the boats go cutting through undulating mirror images of incandescent spires
Eb Bb - C Eb
The roads there are parabolas with nameless water towers near the exits
Eb Bb - C Eb
You-could-turn it all on end still wouldn t be taller than the biotic arch at the crown of creation

Gm - F - Eb
There are people who put dirty hypodermic needles
Gm - F - Eb
Between the seat cushions in the movie theaters
Gm - F - Eb C Eb
We all have the same dream the night that we contract it...

Bb Eb
So maybe I ve been sleeping less at your place
Bb Eb
Since that man s last panicked screams startled us awake
Bb Gm
We re paralyzed as the cop cars arrived
Eb -Gm F Bb Eb
Casting slow-spinning mobiles on your ceiling, three colors we watched the frozen moon
Bb Gm
In daylight I stare past your eyes lenses
Eb -Gm F Bb Eb
Windows framing solar wind rustling ivy on painted pink buildings

Eb Bb - C Eb
I ve been hearing the soft step of gray-eyed governess
Eb Bb - C
Eb
But I know you know the physical form of the moaning alarms coming from the Air Force base
Eb Bb - C Eb
A skinless and sinewy leviathan all terrible contraction and release
Eb-Gm F Bb Eb
Debasement ringed in banner plane exhaust and scattering V s, of geese

Outro: **Eb Gm F Bb Eb Gm C/F#**

(**Eb Bb C7 Eb**) (**Gm Eb Bb**)x4 **Gm C/F# Eb** (**F Eb**)x3 (**Bb Gm Eb Bb**) repeat fade
Ohhh....
