```
  F#/Ab     B    B/B
A broken spirit
                 F#
And a contrite heart
               Ebm7
You will not despise
               B/B
You will not despise
F#/Ab         B  B/B
You desire truth
               Ebm7
In the inward parts
          BM9   B/B
A broken spirit
                 F#
And a contrite heart.

           E  B/C#              F#
Lord, my heart    is prone to wander
           E  B/C#           C#   C#/A
Prone to leave    the God I love
           Bbm   Ebm7
Here s my heart
               G#m7
Lord, take and seal it
F#/Ab     B  B/B                 F#
Seal it for       Your courts above.
