[Primeira Parte]

```
                C#
Speak until the dust
               Fm
Settles in the same specific place
                 G#
Light refused to go
                Eb
Drink it from a cast and iron plate
Bbm         G#    C#
Instead of cold milk
            Fm
Was offered unripe
           G#
Instead of silence considered craven
                C#
Nothing made it seem
                 Fm
Hidden where the aging soil was pure
                    G#
Pressed against the crease
                 Eb
Mountains become fragrant at the source
                 C#
So can you stand this
       Fm
Exotic angle
          G#
I read it somewhere that they would lie still
```

[Refrão]

```
               C#
I remember how cloth hung
                  Fm
Flexing with the forest clung
                G#
Half waist and high raised arms
                F#
Kicking at the slightest form
             C#            Bbm
I remember my first love
              Fm
I remember my first love
```

[Segunda Parte]

```
C#
Un-relied I was called
                      Fm
Missing teeth out of favor
G#
Nickel beach it was all
                 Eb
Gathering by the sundial
Fm
I woke hard, I woke heavy
         C#
With the half way stop, five whole hours in
     G#                                   Eb
When I woke hard, I woke heavy with the live or parts

[Refrão]

     Fm         C#
I remember how cloth hung
                    Bbm
Flexing with the forest clung
               G#
Half waist and high raised arms
                 F#
Kicking at the slightest form
     Fm       C#         Bbm
I remember my first love
              Fm
I remember my first love

[Final]

G#     Bbm   G#   Eb   Ebm G#
Oooh, oooh, oooh
C#     Bbm    G#     F#
