Love Is Life
Hot Chocolate

Heard this song last night for the first time since I don t know when - it s epic.
So rushed to the acoustic this morning and this is what I came up with - sounds close enough. Enjoy!

[intro]
Bm A G D

[Verse]
Bm A G D
I have seen the way the earth takes a seed
G
And with care, gives us a flower, a tree
A D
Or something on which you can feed
A G D
That is love, love is life, love, I love you
A D
I will see the day when men will come together
A D
Every blind man will use his eyes to see
A D
There will come a day, I know, cause I m a believer
G A
And love will find a way
G D
Every man will sing, love, I love you
G D
Hear sweat voices ring, love, I love you
G D
Together we will sing, love, I love you

Bm A G D

2nd verse as verse 1

[Outro]
Bm A G D

And thats it!
