A|-------------------------------------------------------------------------|
E|-------------------------------------------------------------------------|

(Play the opening riff over the verses)
It s your secret
Why would you tell it to me?
It s your lover on the television
Scream why would you not try to be?
Why would you not try to see?

Ebm E F# G#m Ebm E F# G#m

It s about your blue hair
I want to stay the night with you
You got the beamiest face
Car turns right I m into you
Right from wrong is not quite seen
Right from wrong is it everything?

B F#              G#m  E
   It s your secret
B F#              G#m  E
```

```
    It s your secret
           B F# G#m E
Tell it to me
           B F# G#m E
Tell it to me

Don t want to step on the cracks
The feeling is we didn t
You got the beamiest face
Car turns left I m into you
Taking sleepy pills for rest
Anxious love gets so obsessed

It s your love affair
On a quiet sunday afternoon
And your speedy pills
You should know i m into you
Why would you not try to be?
Why would you not try to see?
