I Dont Mind
Darren Criss

```
C               Am
Baby, I don t care
    C                    Am
The what, when, how or where
                   F      Fm
Folks may try to laugh or make a fuss
         C                Am
They ll try to make shit hard for us
    Dm7                G7
But darling, I don t care

C                 Am
Darling, I don t mind
C                        Am
What they think they ll find
    F              Fm
Of all the secrets they have told
    C                    Am
At least I ve still got you to hold
    Dm7     G7       C
So darling, I don t mind

C7                         F
    Cause I ll be the one to hold you
Dm7           G7         Am7
    When the nights are cold
C7                            D7
   And although I know I ve told you
        Dm7       G7
I will tell you forevermore that

C               Am
I don t give a damn
    C                Am
If they can t understand
   F                   Fm
Of all the things that we have learned
         C               Am
They re nothing, far as I m concerned
   Dm7      G7     C
So I don t give a damn

C7                            F
   Cause I ll be the one to hold you
Dm7         G7        Am7
  When the nights are cold
C7                           D7
```

```
  And although I know I ve told you
        Dm7      G7
I will tell you forevermore that

C                   Am
Babe, it ain t no thing
      C           Am
That viper venom sting
        F         Fm
 Cause even if it got your goat
           C                 Am
Well, I d kiss you with the antidote
   Dm7      G7         C
So babe, it ain t no thing

Dm7       G7        C
  Darling, I don t care
Dm7            G7           C
Baby I don t, baby I don t mind
