

The Demons In The Circle
1476

C **F**
I wonder what s been going on with you since our lives got rearranged
C **F**
And I know you fear and question things but, baby, it s not all that strange
G **Dm** **Am**
You might grab your crucifix and pray and pray and pray
G **Dm** **C** **F**
But we ll all haunt our old addictions by the end of the day
C
I know I sometimes smoke a lot and drink too much but my spirit s never
F
changed
C **F**
And everything that s ever happened, good or bad, has brought me to this day
G **Dm** **Am**
And I know I sometimes stumble along the way
G **Dm** **C** **F**
But the fire in my heart has always kept the monsters at bay
Am **C**
We all come back to the places we know
Am **C**
You can t run from your only home
G **Dm** **Am**
And, for all I ve seen, this is the only home I know
G **Dm** **C**
And, for all I ve seen, this is the only home I know

C **F**
I drove up the hill so many times to see the sea that lies beyond the way
C **F**
And after all these years of living here I ve finally come to love the grey
G **Dm** **Am**
But a feeling of anxiety surrounds me in this place
G **Dm** **C** **F**
Because I ve got so much left to do before I can rest in this place
C **F**
So I stare into this ocean s blue; as cold as a goddess eyes
C
And I close my eyes and breathe the air knowing that I ll have to bide my
F
time
G **Dm** **Am**
And know that I ll come back to the place I love someday
G **Dm** **C** **F**
When all is said and done and nothing s in my way
