I know Its not exact, but its a basic start so you can go from there =)

Intro: D A (x 2)

```
 D          A        G                    D     A   G
Maybe her eyes are just a little bit red almost all the time,
 D          A        G                    D     A          G
Maybe her hair it smells like cigarettes when I climb into bed with her at
night,
Em               G   Em                      G
she don t wanna try but this just feels so right
                            (Chorus)
 D     A      G       D   A   G                  D           A       G
Shes almost perfect shes so close to being everything shes almost perfect but
 D         A   G
shes not shes not

 D          A          G              D   A        G
maybe she knows she drives me crazy just bats her eyes like shes my baby
 D          A          G                  D       A              G
maybe shes quick to let her tongue fly at me shes not the most proper lady
Em               G    Em                    G
she don t wanna try but this just feels so right

 D      A       G     D    A   G                 D            A      G
shes almost perfect shes so close to being everything shes almost perfect
 D             A   G
but shes not shes not
 Em                     A7                G              D      A7      G
I m the one to blame I know I caused this crash so now I wander in this mess
 Em         A7            G             D         A7    G
into this lake of sour meshed through my head the notion that

   D        A          G            D    A            G
maybe shes not quite honest with me, almost all the time
   D      A            G                  D           A          G
maybe I know theres someone else in her life when I climb into bed with her at
night

D      A       G     D    A   G                 D            A      G
shes almost perfect shes so close to being everything shes almost perfect
 D             A   G      D-A-G     D-A-G
but shes not shes not    Miiiiine  Miiiiiine     yeah
