Lucky Guy
David Choi

Ok so this is my first tab, things will be wrong I m sorry. I don t know how to do all f
his cool guitar and piano solos so don t ask. I play the song with the capo on the 4th
fret and it sounds relatively similar to his version. Enjoy :D
Oh and i t the same all the way through the song until you get to the last chorus where
it changes slightly I m not sure how though.

Em **C**

It s been so long since I ve met someone

Am **D**
That makes me feel this way

Em **C**
Makes me smile, and that s hard to do

Am **D**
I don t think it s something you realize you do

Em **Am**
You make me feel

C **D** **Em**
Like I m the only guy

F
With you in the world

G
But we can t be together

Em
Can t really be friends

Am
We can t be lovers

C
And we can t pretend

Em
Oh that boy in your life

Am
Better make you his wife

C **G**
And he better believe he s a lucky guy

You wanted a song well here s one for you
Nobody will know except for us two
Don t ask me about it
Cuz I won t tell the truth
Just know that there s someone
Thinking of you

You make me feel
Something I wish wasn t real at all

Chorus

You were never mine to begin with...

So we can t be together
Can t really be friends
We can t be lovers
And we can t pretend
Oh that boy in your life
Better make you his wife
And he better believe he s a lucky guy
