Catch You While I Can
David Nail

Howdy! This is my favorite David Nail song so I thought I d figure it out. Enjoy.
If I made any mistakes let me know!

Catch You While I Can
C# C# F# C# (4x)

```
                 F#                C#   G#
When rooms are crowded eyes will wander,
F#                           G#
Never knowing what theyâ€™ll find.
F#                      C#   G#
I came here waiting on another,
Bbm                          C#
Now youâ€™re all thatâ€™s on my mind

          F#                C#  G#
Neathâ€™ a chorus of conversation,
F#                     G#
What no one else can see.
F#                        C#    G#
Is a gamble tweenâ€™ too strangers,
Bbm                       C#
Thatâ€™s taking a hold of me

-Chorus-
F#                  C#    F#                G#
So let go of your halo, break free for a while.
F#                    C#     F#               Bbm
Tell me that youâ€™re ready, into the night, wrong or right
          F#                        G#
Before it slips right through our hands,
       F#                     C# C# F# C# (2x)
Let me catch you while I can.

           F#             C# G#
My courage rises I walk over,
F#                            G#
Youâ€™re curved smile calms me down.
F#                           C#    G#
Words come easy I keep you laughing,
Bbm                             C#
I should stop but I donâ€™t know how.

-Chorus-
F#                    C#  F#                G#
```

So let go of your halo, break free for a while.
F# **C#** **F#** **Bbm**
Tell me that youâ€™re ready, into the night, wrong or right
F# **G#**
Before it slips right through our hands,
F# **C# C# F# C#** (2x)
Let me catch you while I can.

F# **Bbm** **C#** **G#**
When midnight turns into daylight maybe weâ€™ll both move on.
F# **Bbm** **C#** **G#**
But who knows maybe tomorrow lonely will be long gone, be long gone.

-Chorus-
F# **C#** **F#** **G#**
C mon let go of your halo, break free for a while.
F# **C#** **F#** **Bbm**
Tell me that youâ€™re ready, into the night, wrong or right
F# **G#**
Before it slips right through our hands,
F# **C# C# F# C#** (2x)
Let me catch you while I can.
