```
       G#

Going down a bumpy hillside,

Flying across the country,
C#
And getting fat
F#                    C#
Saying everything is groovy,
G#                    Eb   Eb7
When your tyres are flat
```

Though it s obvious
```

Flies are in your pea soup baby,

C#
Just wait and see

While you re watching TV

I see your sun is shining,

C# **G#**
Though it s obvious
