D#                      C

D#                      C
and I don t feel any different.
D#                      C
the clanking of crystal
D#                      C               G# Bb G# D#
explosions off in the distance (in the distance).

D#                      C
so this is the new year
D#                      C
and I have no resolutions
D#                      C
for self-assigned penance
D#                      C
for problems with easy solutions

[D#]

G#
so everybody put your best suit or dress on
Bb
let s make believe that we are wealthy for just this once
G#
lighting firecrackers off on the front lawn
Bb
as thirty dialogues bleed into one

G#
I wish the world was flat like the old days
Bb
then I could travel just by folding a map
G#
no more airplanes, or speedtrains, or freeways
Bb
there d be no distance that can hold us back.

[G#]
```

Bb
there d be no distance that could hold us back
C
there d be no distance that could hold us back
D#
there d be no distance that could hold us back

[G# Bb C D#]

D# **Cm**
