We Lift High The Name Above Every Name
Jeff Johnson

Verse:

```
G#                    C#                G#
The power to save is held within your hands
G#                  C#             G#
Mountains rise and fall with one command
G#           Fm
Now we sing again and again
C#                   C#          Eb    G#
So let it rise and blessed be your name
```

Chorus:

```
G#                    C#              G#    G#  Eb
We lift high the name above every name, Jesus
Fm                            C#
for all that you ve done, for all of your love
C#        Eb      G#
Blessed be your name
G#                    C#              G#    G#  Eb
We lift high the name above every name, Jesus
Fm                  C#
You died, you rose, your coming again
C#        Eb       G#
Blessed be your name
```

Bridge: (x3)

```
G#                  C#
You are greater, you are stronger
G#                 Eb
You have opened heaven s door
G#               C#
you are savior, here in power,
G#             Eb
and you reign forever more
```
