Jimmy Eat World - Cut

Standard Tuning
Capo 1st fret

Intro: **F#**

Verse 1:

```
  F#
I made it

And now there s no turning back

                Ebm                                          C#
I know there s no depth you wouldn t sink for the chance

    B
I m sorry, boy

                       C#     F#
I m not cut for this no more

F#
You came in

Yeah, you happened to me

     Ebm                                C#
So I waited and nothing else has since

    B
I m sorry, boy

                                  F#
But I m no good for you no more
```

Chorus:

```
             Ebm
If it s your name in lights

           B
And if the time is yours,
```

```
         F#
You d be on your back

                C#
You d be on this floor

         Ebm                     B
It s the kind of night that I d always hoped

             F#                          C#
And he s the kind of guy worth waiting for

Verse 2:

```
        F#
There s always some baggage you ve got to check

    Ebm
I m trying

                          C#
Hope that you d understand

    B
I m sorry, boy

                             F#
I m not cut for this no more
```

Chorus:

```
             Ebm
If it s your name in lights

           B
And if the time is yours,

         F#
You d be on your back

                C#
You d be on the floor

         Ebm                     B
It s the kind of night that I d always hoped

             F#                          C#
```

```
             Ebm
If it s your name in lights

           B
And if the time is yours,

         F#
You d be on your back

                 C#
You d be on this floor

         Ebm                     B
It s the kind of night that I d always hoped

             F#                      C#
And he s the kind of guy worth waiting for
```

Verse 3:

```
F#
There s always some baggage you ve got to check

    Ebm
I m trying

Hope that you d understand

    B
I m sorry, boy

                            F#
I m not cut for this no more

       B
Yes I loved you, boy

     C#
But I m not cut for this no more
```
