I Am a Stone Acoustic
Demon Hunter

Intro x2: Em C G G/F#

Em C
It s hard to say
G
That I m back
G/F#
On a straight line
Em C
You see my path
G G/F#
Is in fact, just a fall line
Em C G
It s in my blood, it s in my lungs
G/F#
And it won t die
Em C G G/F#
I fight these words, I bite my tongue, so I don t lie.

C
Though it s me to blame
Em D9
There is no more shame in me, in me...
C
I just feel the same

Immune to all this pain
Em D9 C
& the scars don t write a song for me at all

Em C
Im am a stone, unaffected
G
Rain hell down onto me
G/F# Em C
Flesh and bone, unaffected
G G/F#
Your foll I will not be
Em C
Im am a stone, unaffected
G
Rain hell down onto me
G/F# Em C
Flesh and bone, unaffected
G G/F#
Your foll I will not be

```
Em         C         G
I try to see & believe
                G/F#
In the short side
Em            C         G
Accept the burn of a vein
              G/F#
And a half life
Em             C                   G
And how you rest your faith in these.
             G/F#
For a lifetime
Em            C              G
That hallow lie agains my hope
               G/F#
That I won t buy

C
Though it s me to blame
                           Em    D9
There is no more shame in me, in me...
C
I just feel the same

Immune to all you say
          Em               D9              C
And the scars don t write a song for me at all
          Em               D9              C
No your tears won t light a path for me to crawl

            Em          C
Im am a stone, unaffected
        G
Rain hell down onto me
G/F#          Em          C
Flesh and bone, unaffected
      G                G/F#
Your foll I will not be
            Em          C
Im am a stone, unaffected
        G
Rain hell down onto me
G/F          Em          C
Flesh and bone, unaffected
      G                G/F#
Your foll I will not be

D9                          C
The waters rise above my eyes
D9                     Em                C
I will breathe it and go out with the tide
D9                                 C
And when you think this is the end
```

```
D9                              Em              C
You will find me there where I have always been
