[Verse 1]

```
A                    D         Bm                      G   Bm7/E  Em7
Just to look in your eyes again, just to lay in your arms
                     A                    D
Just to be the first one always there for you
A                    D       Bm                     G   Bm7/E  Em7
Just to live in your laughter, just to sing in your heart
                 A                       D
Just to be every one of your dreams come true

A                    D     Bm                      G    Bm7/E  Em7
Just to sit by your window, just to touch in the night
                A                    D
Just to offer a prayer each day for you
A                     D      Bm                     G    Bm7/E  Em7
Just to long for your kisses, just to dream of your sighs

Just to know that I d give my life for you

```
A                     D      Bm                      G    Bm7/E  Em7

```
A                     D      Bm                      G    Bm7/E  Em7
Just the words of a love song, just the beat of my heart
                       A                   D
Just the pledge of my life, my love, for you.
