Serpentine - dEUS (from album In A Bar, Under The Sea)

Recently I heard this song again. So I thought I could give it a try.
The following tab is the product of my attempt. Every now and then
you will find a . after a chord, this means: strum chord once (and then
let it fade out). Where it says the entire band stops and
leaves a little silence before they continue. Well this should be all
you need to know, if you have any comments (or corrections) you can
reach me at: stefan11@worldaccess.nl (or stefan11@wxs.nl)

Greetings,
Dennis Nijenhuis
