```
            Em   G
Here we go again
            Em             G
Here we go again and again
                       Am   Em
Wondering how it all began
                   C       D....
Wondering will it ever end

                   Am   C
Round and round we go
                 Am            C
Where it s going nobody knows

Though I know we ve been
      Dm           A5+
This place before
                 F              G
Someone keeps on moving the doooor

D7           C    G } 2x
Here we go again

                Em   G
So I say hello again
                   Em  G
And nobody gives a damm
                          Am        Em
And no one wants to hold your hand
                  C     D...
Everyone is an also-ran

                   Am   C
Round and round we go
                  Am          C
Where it s going nobody knows

Though I know we ve seen
      Dm           A5+
This place before
                  F              G
Someone keeps on moving the doooor
