I Believe
Diamond Rio

I Believe
Diamond Rio
Capo on the first fret

```
G
Every now and then
 D
Soft as breath upon my skin
  Em
I feel you come back again
    C
And it s like you haven t been

       G
gone a moment from my side
         D
Like the tears were never cried
         Em               C               Dsus D
Like the hands of time are holding you and me

         G
And with all my heart I m sure
      D
We re closer than we ever were
        Em
I don t have to hear or see
         C
I ve got all the proof I need

D         G                          Dsus D
There are more than angels watching over me
    C     D            G
I believe, oh I believe

             G
Now when you die your life goes on
           D
It doesn t end here when you re gone
      Em
Every soul is filled with light
         C
It never ends and if I m right
      G      Dsus D
Our love can even reach across eternity
    C     D         G
I believe, oh I believe
```

```
F                C
Forever you re a part of me
G              D
Forever in the heart of me
         F             C           D
And I ll hold you even longer if I can
 F                C
Oh the people who don t see the most
G            D
See that I believe in ghosts
F                C   D
If that makes me crazy, then I am
           G
 Cause I believe

          G          Dsus   D
There are more than angels watching over me
C      D           G
I believe, oh I believe

G
Every now and then
  D
Soft as breath upon my skin
  Em
I feel you come back again
C
And I believe......
```
