```

(Add and take away as per rhythm of the song the wee flourishes on D & A...)

```
D      G                     D
We can never know about the days to come
D      G                  A
But we think about them anyway
    D           G              D
And I wonder if I m really with you now
        G                  A     D
Or just chasing after some finer day
```

INTRO x1

CHORUS

```
G         A   D
Anticipation, anticipation
    G        A
Is making me late
    G         A
Is keeping me waiting
```
