Chords used:

Bbm - x02210

G# - 320003

F# - 133211

C# - x32010

Fm - 022000

G#/B - x2x003

Intro: Am x4, Am--F

Verse 1:

G# **Bbm**

With one hand fast against my mouth

G# **Bbm**

trying not to let it out

G# **F#**

cuz I ve been caught

G# **F#** **G#**

between a puddle and a cloud

G# **Bbm**

there s nothing new that I could say

G# **Bbm**

to tell you why I couldn t stay

G# **F#**

and why I wonder all my life

G# **F#** **G#**

to find the one that got away

Chorus 1:

C# **G#** **C#**

if only I could find a place to rest

G#

(I m running in circles)

F# **Fm**

If only I could see that

F# **G#**
dreams were all I ever had
 C# **G#** **C#**
if only I could find a place to rest
 G#
(I m running in circles)
 F# **Fm**
If only I could see that
 F#
dreams were all I ever had

Verse 2:

Bbm
Without a single place to be
 G# **Bbm**
I m dying fast and feeling free
 G# **F#**
I got my plans to
 G# **F#**
live forever in a dream
(forever in a dream)
 G# **Bbm**
I need to know that I exist
G# **Bbm**
Left to satisfy an
 G#
itch (I ve had for years)
F# **G#**
 I long to write a song
 F# **G#**
the world cannot dismiss

(Repeat Chorus 1)

Interlude: F--C--G/B--Am

Bridge:

F#
You re the sunlight
that never comes
 C#
You re the reason
I don t believe
 G#/B
You re the reason
I m always on the run
 Bbm
away from everything
and everyone

F#

you re the reason

I lie awake

C#

a same recurring dream

G#/B

a fever that wouldn t break

Bbm

and I m sweating in my

sleep to hear you say

Chorus 2:

C#

G#

C#

if only I could find a place to rest

G#

(I m running in circles)

F#

Fm

If only I could see that

F#

G#

dreams were all I ever had

(Repeat Chorus 1)

Chorus 3:

C#

If only I could

G#

C#

hold your face again

G#

(I m running in circles)

F#

Fm

and never have to sing if

F#

G#

only I could change the past

C#(hold)

(I m running in circles)
