Without Love
Johnny Cash

Capo 2nd fret

Intro:

```
|     G     |     C     |     G     |     G     |
|     G     |     D     |     G     |     G     |

              G      C                G
Without love,     I am half human.
              Em    D                        G
Without love,       I m all machine.
                     C                       G     Em
Without love,    there s nothin  do - in .
          G    D               G
I will die        without love.

              G       C               G
Without love,        I am an island,
                  Em    D                            G
All by my-self            in a heartbreak sea.
                     C                          G    Em
Without love,        there s no de-ny - in .
         G           D              G
I am       dyin      without love.

       D
For there is nowhere I can run
A                        D
And threre is no hiding place.

Stickin  out like a sore thumb
A                       D                    C
By that gloomy look upon my face.

              G      C                  G
Without love,      I m incom - plete.
              Em     D                G
Without love,        I am not whole.
                      C                     G        Em
Without love,       I m barely on my feet.
         G           D              G
I am       dyin      without love.
```

Guitar Solo:

Instrumental verse

```
       D
For there is nowhere I can run
A                        D
And threre is no hiding place.

Stickin  out like a sore thumb
A                       D                    C
By that gloomy look upon my face.

              G      C                   G
Without love,       I m incom - plete.
              Em       D                G
Without love,          I am not whole.
                       C                     G        Em
Without love,        I m barely on my feet.
         G           D              G
I am       dyin      without love.
         G           D              G
I am       dyin      without love.

Outro:

|     G     |     D     |     G     |     Gsus2
```
