Verse 1:
```
C#                     F#   G#
  Your bus rolled away
C#               F#
  Behind a sunrise that was
 G#           C#
smuthered in black clouds
          F#
Seems like everybody s
G#           C#
leaving me now
        F#                G#
But I m leaving soon anyhow
C#               F#
  The room is cold without
     G#
your things around
C#          F#
  Alone I don t know
       G#           C#
what to do with myself
             F#
They say the hardest
        G#           C#
part is keeping in town
```

```
          F#
I say the hardest
        G#                  F#     Ebm C# F# G#/B G#
part is watching you drown

Chorus 1:
         F#
Can you take me

back there again

feeling again

Verse 2:
C#
  I road my bike to that
F#     G# C#
house   And there s a new
        F#                 G#
curtain hanging in our window
C#               F#
  Seems like everything s
G#          C#
changing right now
            F#
Will you still feel
    G#             C#
the same come tomorrow
                F#
I ve got this photograph
    G#
of you and me
C#            F#
  Got that same cookie
 G#               C#
smile on your face
                 F#
We should have died
          G#
inside that photograph
C#                 F#
  For you were going
 G#          F#     Ebm C# F# G#/B G#
away for a while
```

(Repeat Chorus 1)

back again
