[Verse 1]
```
        E
On the day she finally left me
         B7           E
She left one thing behind
          E
Just a small box on the table
          B7           E
That she wanted me to find
            A             E
There was something bad inside it
          A              G#
It was something that I should have left alone
```

[Chorus]
```
     C#              Ebm7     F#maj7/F#
Now everything is standing still
        F#        C#       Bbm         G#     G#sus4  G#
It was only my head that made it revolve
 C#              Ebm7     F#maj7/F#
Everything was fine until
        F#         Amaj7   B          E
it was awful instead now watch me dissolve
```

[Verse 2]
```
       E
It was mine now, something secret
            B7          E
Something precious and rare
              E
```
