On Every Street
Dire Straits

```
          E/C        B             F#/B         B
   There s gotta be a record of you some place
       G#m          F#/B              B
   You gotta be on somebody s books
E/C    B          F#/B             Ebsus4
   The lowdown - a picture of your face
G#m                   Ebm/G
   Your injured looks
E                    B
   The sacred and profane
E                       B/G    F#
   The pleasure and the pain
   B              F#/B            G#m      Ebm
   Somewhere your fingerprints remain concrete
       C#m                 A
   And it s your face I m looking for
E/Bb  B/G
   on every street

         E/C      B          F#/B         B
   A ladykiller - regulation tattoo
            G#m          F#/B              B
   Silver spurs on his heels
E/C       B                    F#/B             Ebsus4
   Says - what can I tell you, as I m standing next to you
G#m                            Ebm/G
   She threw herself under my wheels
E                       B
   Oh, It s a dangerous road
E                  B/G    F#
   And a hazardous load
   B        F#/B                    G#m      Ebm
   And the fireworks over Liberty explode in the heat
       C#m                 A
   And it s your face I m looking for
