```
          G/C        D             A/B         D
   There s gotta be a record of you some place
       Bm          A/B              D
   You gotta be on somebody s books
G/C    D          A/B             F#sus4
   The lowdown - a picture of your face
Bm                   F#m/G
   Your injured looks
G                    D
   The sacred and profane
G                       D/G    A
   The pleasure and the pain
   D              A/B            Bm      F#m
   Somewhere your fingerprints remain concrete
       Em                 C
   And it s your face I m looking for
G/Bb  D/G
   on every street

         G/C      D          A/B         D
   A ladykiller - regulation tattoo
            Bm          A/B              D
   Silver spurs on his heels
G/C       D                    A/B             F#sus4
   Says - what can I tell you, as I m standing next to you
Bm                            F#m/G
   She threw herself under my wheels
G                       D
   Oh, It s a dangerous road
G                  D/G    A
   And a hazardous load
   D        A/B                    Bm      F#m
   And the fireworks over Liberty explode in the heat
       Em                 C
   And it s your face I m looking for
