The Man's Too Strong
Dire Straits

INTRO:

```
                                          C# (strums)     C# (strums)
e|----------------------------------------0-------------0---------------
B|----------------------------------------1-------------1---------------
G|--------0h2-2-2-2---2-2-0--------2-0----0-------------0-------0-------
D|--0--3--------------------3-0--------2--2-------------2-----2------0--
A|----------------------------------------3----------3--3---3------1----
E|----------------------------------------------------------------------

   B          Ebm    Ebm
e|--1-------------------1-------------1--------------------------
B|--3-------------------3-------------3--------------------------
G|--3-------------------2-------------2----------------0h2-2-2-2-  etc.
D|--3---------3p0---0---0----------0--0---------0h3--3-----------
A|--1-------------3--------------3------------------------------
E|-------------------------------------------------------------
```

```
Ebm                                          C#
I am just an aging drummer-boy, and in the wars I used to play
         B                                Ebm
And I ve called a tune to many a torture session.
Ebm                                           C#
Now they say I am a war criminal, and I m a-fading away.
B
Father, please hear my confession.

       G#                      Eb
I have legalized robbery and called it belief
       G#                          Eb
I have run with the money, I have hid like a thief
       G#                         Eb
I have rewritten history with my armies and my crooks
Eb        C#         Bbm         Eb
Invented memories,      I did burn all the books
          Ebm                                  C#              Fm
And I can still hear his laughter, and I can still hear his song
Fmsus2                 Fm                 Eb         C#   Eb   C#
         The man s too big, the man s too strong

C#  C#m  G#  G#m etc.
```

For chords, play the Ebm, Eb, C#, Fm, Bbm and G# as open. Play the B in 1st position. I play the Fmsus2, G#m and C#m as:
