#1.
B E F# B B
I ve got nothing to be ashamed of..love s been a
E F# B
little bit hard on me.
B E F# B B
If I shy away it s only because..love s been a
E F# B
little bit hard on me.

CHORUS:
B E F# B
Love s been a little..oh, love s been a little..
B E F# B
love s been a little bit hard on me.
B E F# B
Love s been a little..you know it s just been a little..
B E F# B
Love s been a little bit hard on me.

B E F# B (x2)

#2.
B E F# B B
I can t remember when it s meant so much..love s been a
E F# B
little bit hard on me.
B E F# B B
Now I shy away at the slightest touch..love s been a
E F# B
little bit hard on me.

CHORUS:
B E F# B
Love s been a little..oh, you know it s been a little..
B E F# B
love s been a little bit hard on me.
B E F# B
Love s been a little..just a little, little.
B E F# B
Love s been a little bit hard on me.

BRIDGE:

```
     E         Ebm         C#m                 B
Come out, come out..to the hopeless romance inside.
                E               Ebm       C#m
Shout, it s all right..it s all right..to stay so dark
   E            F#
so close to the light.
```

(INTERLUDE:)

BRIDGE:

```
     E         Ebm         C#m                 B
Come out, come out..to the hopeless romance inside.
                E               Ebm       C#m
Shout, it s all right..it s all right..to stay so dark
   E            F#
so close to the light.
```

#3.

```
B       E           F#       B      B
I ll be back when I calm my fears..love s been a
E          F#       B
little bit hard on me.
B                 E          F#        B      B
And I ll see you around in a thousand years..love s
       E          F#       B
been a little bit hard on me.
```

CHORUS:

```
B             E           F#             B
Love s been a little..you know it s just been a little..
B             E          F#       B
love s been a little bit hard on me.
B             E                     F#           B
Love s been a little..you know it s just been a little..
B             E          F#           B
Love s been a little bit ha...rd..on me.
