**Cant Leave You**
**Doe Paoro**

I don t claim that these are accurate or complete, but they re a start. I m sure

that once she gets bigger, better musicians will post more accurate chords. good

luck figuring the rest out!

notes for intro (not chords):
C in bass & violin G down to E
B in bass & violin G down to E
F, A, B, C in bass & violin E up to G, down to F, down to E, up to F, up to C

verse1:
[C in bass & violin plucking E up to C]
reason is kept at bay.
[B in bass & violin plucking D up to B]
i ll believe anything you say.
hope keeps pressing on.
the problem is my memory. (violins E 3x)
i recall loves a reverie.
when a siren s song

instrumental:
notes, not chords: F down to E, down to D, down to C
then repeat and harmonize with F down to C, up to Ab, up to A
[then repeat that for the next three lines of lyrics]
and despite all the pain
i can t leave you yet
i m all twisted up in your viciousness
[chords: **Bb**, **Fm**, **Eb**, **Ebm** x3]
won t you set me free-ee-eee-ee?
have mercy on mee-eee-eee-ee?
i ve lost all agency-yy-yyy-yy-y.

[**Gm-Dm**]
see i m addicted to you
need you like air i m sick of you
stronger in turn

for this chorus, chords change for the first three lines:
[**Bb**, **F**, **Dm**, **Eb**]
and despite all the pain
i can t leave you yet
all twisted up in your viciousness
[**Bb**, **Fm**, **Eb**, **Ebm**]
won t you set me free-ee-eee-ee?
have mercy on mee-eee-eee-ee?
i ve lost all agency-yy-yyy-yy-y.

[**Gm** - **Dm** x3]
i ve already waited on you way too long.
i ve already waited on you way too long.
i ve already waited on you way too long.

i-i need you like air.
i m sick of you.
i m sick of you.
ain t got nothing i m sick of you
