Some days set your world on fi - ire
    C#              F#         G#    F#

Thatâ€™s when your heart will cry out until your body is numb
        C#                 F#                  G#       C#
And the night will try to change you but the day will come

F#            C#                 F#                G#                 F#
  Dream hard   and shoot high,  sometimes our fingers graze the sky
       C#          G#
But we canâ€™t hold on

[repeat CHORUS]

        C#                                Fm7            F#
Brother donâ€™t hang your head  til your distance is run
                 C#              F#                  G#       C#
â€˜Cause though it seems so far away, you know the day will come

[INTERLUDE]

[repeat CHORUS]

        C#                                Fm7            F#
Brother donâ€™t hang your head  til your distance is run
               C#              F#                  G#       C#
So, though it seems so far away, you know the day will come
