(verse 1)

```
G           C  D G            C  D G
I ve walked down   this road again
           C      D G             C     D G
and i ran away from  my father my friend
C     D           C        D
now i know that i need you now
C         D  C              D
so here i am wont leave you now
```

(chorus)

```
G                C                            G
cause you know i fall but you re there when i call
             C          D         G
you never forget me, my father my all
                 C                        G
you look past my wrongs show me where i belong
              C           D         G
i ll never forget you, my father my all
```
