```
            C#
Man I could use a Pina Colada
  C#
A little bit-a sun on my skin

Once my feet hit the sand
     G#                            C#

G#
Need a smile on my face
```

I wanna go where I can lighten up the load
Bbm
Drive a little while on the wrong side of the road

In this palm tree paradise
