Fight To Be Free
DragonForce

[Intro] **Bbm F# Bbm F#**
Bbm F# G#

C#
  Coming down from the mountain ranges
For the battle of ancient ages
F#
  Fight hard for the warrior soul
Wage war, ride on til our destiny calls
C#
  Through the valley of black wind, burning sun
See the warrior fight, the time has come
F#
  Fight on for the powerful Lord
March on, stand strong til the end of the world
G#
When the sun and stars will align again
F#
And the land is dark and gone
G#
And the ring of fire will be born again
F#
For the one

[Refrão]

C# F#
  We just want to dream about it
C# F#
  We die to believe without it
Bbm F#
  The fire in our hearts, in our song
F# G#
The price at the gates far beyond, whoa-oh-oh
C# F#
  And when the hands of all the nation will arise
C# F#
  And as the sun will shine across the blazing skies
F# G#
  Through the wind and through the trees
F# G# F#
  For the honor of family, black ninja ride on
G# C#
Fight to be free

(**Bbm F#**)

```
C#
  For our fallen fathers we will fight
For the glory of master through the night
F#
  Over mountains, by the sea
To the land far away where the warrior lives
C#
  See the ninja ride with evil sword
For the power of powerful overlord
F#
  March on for the glory of all
Ride on, fight hard for the warrior call
         G#
When the sun and stars will align again
        F#
And the land is dark and gone
        G#
And the ring of fire will be born again
