Shoot your gun

Tabbed by my brill guitar teacher Dave King!!!

It s a brilliant song, it takes a while to get used to the chords, but once you know the
it s dead simple....from the best album of 2004!!!Better than Franz Ferdinand,
Snow Patrol, U2 and The Killers albums of 2004.

Chords:

```

Once again thanks to Dave for working it out, and if you don t already have it,
go out
buy their debut album!!!It won t disappoint.
