Who Am I Drinking Tonight
Edens Edge

{Intro}
E D E

[Verse]
E
I gotta say
E E7
Boy, after only just a couple of dates
A
You re hands down, outright blowing my mind
E
In nearly every single way

E
You re amazing and yet
E E7
There s only so much I can get
A
From picnics, long walks, flowers and talks
E
Baby here s what I suggest

B
It s time I see ya belly-up to a bar
A A7
How bout ya show me what kind of cowboy you are?

[Verse]
E
Are you a Kenny tequila, Buffet margarita

Or an Alan Jackson hurricane?
B
Are you a good time, flask of moonshine
D D#m
Going George Strait to my brain?
E E
A girl can tell a lot about a boy in one shot
E A
I gotta know you ve got a Bocephus side
F#m G#m A
So what s in the cup, order it up
E
Who am I drinking tonight?

[Verse]
E

```
You might not have guessed
        E                       E7
Judging by my heels and lacy dress
      A
I m a wide-neck Gretchen, Loretta Lynn
     E
I ve learned from the best

B
Women like that know how to throw a few back
   A                              A7
We gotta have a man who can keep up with all that

          E
Are you a Kenny tequila, Buffet margarita

Or an Alan Jackson hurricane?
          B
Are you a good time, flask of moonshine
                           D  D#m
Going George Strait to my brain?
  E                           E
A girl can tell a lot about a boy in one shot
        E                          A
I gotta know you ve got a Bocephus side
F#m               G#m            A
  So what s in the cup, order it up
                   E
Who am I drinking tonight?

[Interlude]
         E
Oh yeah

[Verse]
B
 So pick your poison and make it two
D
What kinda trouble are we gettin  into?

          E
Are you a Kenny tequila, Buffet margarita
                     Em
Or an Alan Jackson hurricane?
          B
Are you a good time, flask of moonshine
                           D  D#m
Going George Strait to my brain?
  E                           E
A girl can tell a lot about a boy in one shot
        E                          A
I gotta know you ve got a Bocephus side
F#m               G#m            A
```

```
  So what s in the cup, order it up
 E
Who am I drinking?
F#m        E                  A
  Another round, throwing  em down
 E
Boy, what ya thinking?
F#m            G#m          A
 What s in the cup, order it up
                  E
Who am I drinking tonight?

[Interlude]
         E
Oh yeah

[Outro]
E  D  D# D#m E
