**Bad News**
**Eels**

Artist: Eels
Title: Bad News
Album: None
Tabbed by Callum Innes, Doncaster England - 30.6.01

This is my favourite Eels song...It is not yet on any of the albums, but
It s brilliant.

**Eb Bb F Eb**
Guess I m doing something wrong
Never feel right in these shoes
Pocket full of matches and a head full of flame
I ve got to warn you that I m bad news

**Gm Bb/B Bb Bb/B** x2

**Eb Bb F Eb**
She tucks me in and then she screams
One day you will have to choose
Either take care of me or take care of you
And don t pretend your not bad news

**Gm Bb/B Bb Bb/B**

**Eb Bb F Eb**
Come on now I ll take you home
You have got nothing to lose
But stick around long enough and you ll find out
I am nothing but bad news
**Eb Bb F Eb**
You can never change where your from
No matter I will accuse
Gonna get with a better life
And one day I won t be bad news

**Gm Bb/B Bb Bb/B**
It s the same everyday when I wake up
It s the same in the way that you gave me up

**Eb Bb F Eb**
In the middle of a swan dive
**Eb Bb**
And I was soaring down
**F Eb**
Perfect and slow.

Cheers!
