All She Wanted
Electric Light Orchestra (ELO)

```
B
She was a good girl

Been true to herself
A                              E            B
Never swayed by the notions of somebody else
B
She d had it rough, maybe most of the time
A                   E         B
With only one thing on her mind

E                   B           E
All she wanted was a loving  man
E                   B           E
All she wanted was a loving  man
E                              B          E
Who was trying  to do the best that he can
E                         B              E
All she wanted was a loving , loving  man

B
There could be blue skies in her heart
A                          E               B
She was waiting  for the good times to start
B
She never wanted diamonds

She never wanted gold
A                 E                    B
She was holding  out for someone to hold

E                   B           E
All she wanted was a loving  man
E                   B           E
All she wanted was a loving  man
E                            B             E
Who was trying  to do the best that he can
E                         B               E
All she wanted was a loving , loving  man

A loving man

All she wanted was a loving  man

E                   B           E
All she wanted was a loving  man
```

```
E                   B           E
All she wanted was a loving  man
E                               B         E
Who was trying  to do the best that he can
E                         B              E
All she wanted was a loving , loving  man

Loving man

E                   B           E
All she wanted was a loving  man
E                   B           E
All she wanted was a loving  man
E                   B           E
All she wanted was a loving  man
E                   B           E
All she wanted was a loving  man
```
